THE CANADIAN CLUB
GUELPH, ONT.

22nd February, 1918.

Sir Robert Falconer,
Pres. Toronto University,
TORONTO, Ont.

Dear Sir Robert:-

As the City of Guelph was the home of the late Col. John McCrea, the Guelph Canadian Club intend inaugurating a movement among the Canadian Clubs of the Dominion to raise a fund, by dollar subscriptions, from their members to establish a suitable memorial to perpetuate the memory of Col. McCrea.

The Guelph Club is arranging to hold a McCrea night on Monday evening, March 4th, in the old family Church of St. Andrews, to launch the movement.

The untimely death of Col. McCrea in France is a national loss to the history and literature of Canada, and he, being affiliated with the Universities of Toronto and McGill, the Club feels that addresses from you and Sir William Peterson at this meeting would be a fitting endorsation of so worthy an object.

It is also proposed that a recital of Col. McCrea's poems "In Flanders Fields" and "The Anxious Dead" shall be given the same evening.
